End of Year Bulletin

20th July 2016

As this is the last newsletter for this academic year, I would like to thank you all for your support. Educating your children is a partnership between us and success comes when we work together. Please consider your child's targets from their school reports as areas you could work on during the holidays but make it fun. Your children and school staff have worked hard and will benefit greatly from this break to recharge batteries. Enjoy your time with your children... they grow up so quickly.

Today is also a very sad day for us at school as it is Mrs Herbert's last day. She has been dedicated to the school and all the children who have benefitted from her guidance over the last 19 years. We wish her luck in her future endeavours. It was a pleasure working with her and the loss will be greatly felt by staff and pupils alike.

SUPERSTARS FOR SUMMER TERM 2

Hedgehog Class

Superstar: Daisy for always having a smile on her face and being a ray of sunshine in Hedgehog Class.

Badger Class

Superstar: Iona for consistently challenging herself in all curriculum areas and following the motto 'if at first you don't succeed, try and try again'.

Owl Class

Superstar: Elizabeth for always working hard trying her best and being considerate towards others.

Woodpecker Class

Superstar: Josh - total star of the year. His hard work across the curriculum, enthusiasm for learning and kindness to all sets a great example for children across the school.

DALMATIAN DAY

Monday was great fun as 101 Dalmatians and a few Cruellas and dog catchers entered the school. We raised £64. Thank you.

CELEBRATIONS

In our Celebration Assembly today, we have been celebrating the children who have achieved 100% attendance and the children who have stayed green on our Good to be Green system. Of the 101 children, 99 stayed green or yellow this term. 48 children have stayed green for the whole year (no reds nor

yellow) - they have been presented with certificates and both sets of Good to be Green children have had extra playtime. We are very proud of them.

GYMNASTICS

As some of you saw in our Purley at the Palladium show, we have some able gymnasts at the school. At a recent competition, there were very good results. Special congratulations to Tegan A who came first overall in the Year 3-4 category.

Well hello everyone
Here today
We are the GEEK SQUAD
We'll show you how we play

Now a GEEK is not a nerd
Don't get us wrong
Coz a nerd is quite different
From us in THIS song

GEEKS love technology
Courageous and brave
Embracing new creations
Before they hit the grave

Ipad inspiration
Helps collaboration
Amazing donation
JDO sensation

Hardware and software
We work with it all
Coz if you won't try it
You'll hit a brick wall

We can write programs
On a pc
We've started our own web-sites
For you to see

We're learning so fast
Using lots of applications
Like stick nodes, scratch and hopscotch
Creating animations

Ipad inspiration
Helps collaboration

Amazing donation
JDO sensation

Online and offline
Software for mindmapping
On the screen was our Prezi
To help us with our rapping

So respect the geek
Coz we're gonna go far
In a tardis with a lightsaber
And electric guitar

Technology's the future
If you 'wanna' be cool
So we'll embrace it
At Purley Primary School

POETRY RECITAL

The children took part in a class poetry recital this week. KS1 performed minibeast poems, Owl Class a poem about the Olympic Games and Woodpecker collaborated to write their own poem (in the form of a rap) to celebrate their new found computing knowledge! We've included the words below!

DATES FOR YOUR DIARY
