

Anne Bolland

I have been coming into school now for some seven years on a voluntary basis and visit the school three mornings a week helping to support teaching staff as well as helping children with their reading. It is a truly rich and rewarding experience from which I get a great deal of pleasure. I have been a Governor for three years.

I am married to John and we have lived in Purley since 1979 and it is a grand place to be. I retired some ten years ago having worked full time for 41 years as a secretary/PA mainly in the banking sector. When I retired I didn't know what to do so I studied A level Film Studies at Reading Technical College with the sixth formers for two years and thoroughly enjoyed this. Film and theatre is a passion of mine. I started working with children through volunteering with the charity ABC to Read, an organisation which assists children to read in Berkshire primary schools. Sadly I have had to put this on hold whilst I help with the fundraising activities for Purley Primary but I hope to go back and help in the future. I am involved with several local organisations in the village and I am a bell ringer at St Mary's Church.
