

Literacy

Poetry: We will be reading and creating our own poetry.
We will explore how poems are written and set out.

Narrative: We will be writing exciting stories set in a familiar setting.
We will continue to use interesting adjectives, conjunctions and adverbs.
We will develop our sentences to include statements, questions, exclamations and commands.

Music

We will be learning songs and exploring *duration* through our singing.

Geography

We will take part in fieldwork studies in the school garden and local area.
We will draw maps of the areas studied and look at how to create a simple key.

Art

Explore the work of Georgia O'Keeffe and make close up observation drawings in her style.
We will explore how to create movement in our art work.

How does your Garden Grow?

Badger Class
Summer Term 1 2019

Science

Identify and name a variety of common wild and garden plants, including deciduous and evergreen trees

Identify and describe the basic structure of a variety of common flowering plants, including trees

Observe the growth of flowers and vegetables that they have planted. Find out and describe how the plants need water, light and a suitable temperature to grow and stay healthy

Set up investigations to assess good conditions for growing healthy plants

PSHE

Relationships
Asking for help
Feeling loved and cared for
Managing uncomfortable feelings – proud and jealous
Thoughts, feelings and behaviour
Dealing with worries
Supporting each other
School council

RE

How should people care for the world?
The creation of the world story.

Maths

Number and Place Value
Addition and Subtraction
Multiplication and Division
Measurement of weight using standard and non-standard units
Using grams and kg's
Geometry: properties of shape and position and direction
Recognise, name, find and write simple fractions $\frac{1}{2}$, $\frac{1}{3}$, $\frac{1}{4}$, $\frac{3}{4}$

PE

We will be developing our agility, balance and coordination.

DT

We will be sewing our own lavender bags.

COMPUTING

Use internet texts and video clips to gather information for our topic.
Use ICT as a way of producing flower/garden art work and texts.
Programming and control
Use modelling and simulations to explore how making different choices and decisions will produce different outcomes
