

Caroline Hodsdon

I have lived in Purley since 2002 and have worked in Primary Schools since 2000. I worked as a teaching assistant in different schools before gaining a PGCE in 2006. I was a full time Primary Teacher until I trained as a Reading Recovery teacher. I have been at Purley Primary as a Teaching Assistant since November 2014. Since September 2015 I teach one day a week in Badger class and carry out work to support the role of the SENco.

As a member of staff I appreciate all the hard work that so clearly goes on at Purley from all the children, staff, parents and volunteers and I am looking forward to supporting the school as a Governor.
