PARTNERSHIP

At Purley Primary School, we believe that Home and School should work together to enhance your child's education. We believe that through effective communications we can build a successful partnership. This partnership agreement is set out in our Home School Agreement. We refer to it as a triangle because your child's education is more successful if the Parents and Carers, Pupils and School are included and working together. Each partner has a crucial role to play, and these are set out in this document.
