Pupil Premium Grant Planned Expenditure Report 2017-2018 (Financial year)

Key messages

The pupil premium is an allocation of additional funding provided to schools to support specific groups of children who are vulnerable to possible underachievement. These include pupils who are entitled to free school meals, children of armed service personnel, children adopted from care or who have left care, children under a special guardianship order, arrangement order or a residence order. Looked-after children (LAC) receive a LAC premium.

The grant may be spent in the following ways for the purposes of the school i.e. for the educational benefit of pupils registered at the school. Schools decide how the allocated pupil premium funding should be spent, since they are best placed to assess what additional provision should be made for these pupils. The school is happy to support any parents/guardians wishing to make an application for Free School Meals.

All schools are required to report on the amount of funding received, how this is being allocated and the impact of any additional support or provision.

Principles

- We ensure that teaching and learning opportunities meet the needs of all the pupils.
- We ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the need of socially disadvantaged pupils are adequately assessed and addressed.
- In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged. We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals.
- Pupil premium funding will be allocated following a needs analysis which will identify priority classes, groups or individuals.
- We monitor and evaluate our Pupil Premium funding spending, and spend it in ways know to be most effective.
