

Primary School's Sport Funding 2018-2019

PE and sport premium for primary schools.

The PE and sport premium is designed to help primary schools improve the quality of PE and sport activities they offer their pupils. The amount received is dependent on the number of pupils on the school role. This ring fenced money provided by the departments of health and education should be used to

- Develop or add to the PE and sport activities that the school offers
- Build capacity and capability within the school to ensure the improvements made now will benefit pupils joining the school in future years

Purley Primary School is strongly committed to PE and Sports activities of our children. In-line with our school aims and values, PE and sport plays an important role in encouraging children to develop and adopt a positive approach to their own health and well-being, together with supporting a positive attitude to learning across the whole curriculum.
